## Throw a Penny in the Wishing Well

Feed a penny in your pocket  
And throw it in the wishing well  
I heard that dreams come true, doo doo doo  
There's something you can do, doo doo doo  
To make your dreams come true  
Throw a Penny in the Wishing Well

You can wish, me up, doo doo doo doo  
Make them stay from the bottom to top, doo doo doo doo  
You can wish them up  
Throw a penny in the wishing well  
Take more wishes

Make them stay and new  
Throw them in the wishing well  
Watch your dreams come true, doo doo doo  
If you have a dream, doo doo doo doo  
An unclear how big it seems, doo doo doo doo  
If you have a dream  
Throw a penny in the wishing well

## The Bayou

Jumping, crawling, slow, come on everybody dance two by two  
One your partner by the hand and we'll all dance together in the bayou  
In the bayou, the bayou, we all dance together in the bayou  
In the bayou, we all dance together in the bayou

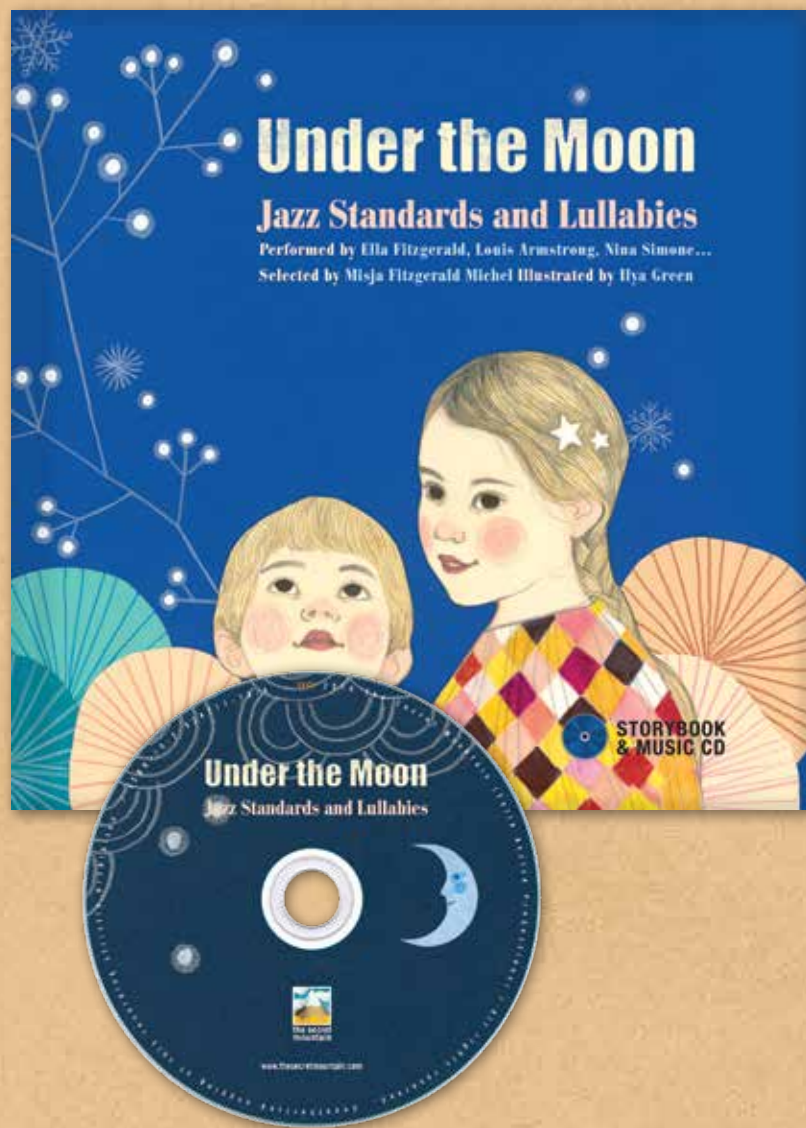

Clap, pump, boom and rick  
Cotton, grass and cypress  
No need a partner, on each a dryer  
It's hard to make it dance two in the bayou

Dance in bayou, bayou, look in mirror dance two in the bayou  
Dance in bayou, bayou, look in mirror dance two in the bayou

The sun is setting  
Stars are twinkling  
Let's keep on dancing round and round about  
Dum-dum, cack, cack, cack, cack in mirror dance two in the bayou  
Pump in main de two ans it's almost midnight dance in the bayou

Dance in bayou, bayou, we all dance together in the bayou

## Amazing Water

An Introduction to Classical Music

Musical selection and explanatory notes by Ana Gerhard Illustrated by Margarita Sada

The works of Vivaldi, Beethoven, Debussy, and others are introduced to children by demonstrating how water—from the sea, rivers, fountains, rainfall and so forth—has inspired the composers. An original and exciting way for younger listeners to discover awe-inspiring classical music, this book pairs three centuries of music history with stunning and evocative illustrations. A glossary of musical terms and a short biography of each composer are included along with a CD featuring 20 excerpts from various recordings performed by world-class luminaries, including the Royal Philharmonic Orchestra, the London Symphony Orchestra and the Lyon National Orchestra.

Ana Gerhard studied as a concert pianist at the Mexican National Conservatory. She has taught piano for several years and has hosted numerous radio programs dedicated to the promotion of classical music.

Margarita Sada is an illustrator and a graphic designer. She is the illustrator of several children's books, including *Guacamole* published by Groundwood Books.

# LULLABIES

## Tomorrow is a Chance to Start Over

Bedtime story and dream songs by Hilary Grist

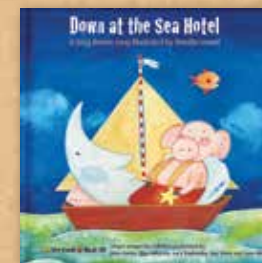

The story is about Ira and Isabelle, two siblings living in a little red house by the sea, who decide one night to escape the sound of the city's beeping cars and sail off to a faraway land. On their journey, they learn from a newly-made friend, a robin with a soft voice, that dreams really can come true. In addition to the narrated story, the CD offers nine heartwarming dream songs followed by an ethereal rendition of Johanne Brahms' classic "Cradle Song."

Hilary Grist is a Vancouver singer-songwriter, notable for her song placements that have been part of nine major television shows. She has performed in many Canadian festivals including the Vancouver International Jazz Festival and North by Northeast in Toronto.

## A Duck in New York City

Story and songs by Connie Kaldor  
Illustrated by Fil & Julie

A little duck from the prairie has a big dream: making it to New York City and doing his ducky dance on Broadway. It's an adventurous journey that appears bound for failure if it weren't for a truck driver named Big Betty who points him in the right direction and encourages him to follow his dream. The accompanying CD features 12 feel-good songs introducing listeners to a strange crew of animal characters, including alligators, hippos and slugs.

Connie Kaldor is "one of Canada's most significant contemporary folk performers" (Billboard Magazine). Her song "Wood River" is considered by many to be the quintessential Saskatchewan song. In 2007, she was appointed to the Order of Canada.

The duo **Fil & Julie** (Philippe Arseneau Bussières and Julie Saint-Onge Drouin) has illustrated several books for children, including *Time for Bed* published by Owl Publications.
